

MikroPul GmbH and Filter-Media become MikroPul Nederman EMEA.

As part of the continuous development of our business, we are pleased to announce that MikroPul GmbH and Filter-Media (division of MikroPul France S.A.S.) are joined under the entity named

MikroPul Nederman EMEA.

We will continue to offer State of the Art Complex Engineered Products and Solutions. Our main focus is on serving Europe, Middle East and Africa (EMEA) markets.

Mr. **Patrick SASERAS**, currently Managing Director of MikroPul France, is taking the lead of MikroPul Nederman EMEA as Vice President Sales. He is also appointed Managing Director of MikroPul GmbH.

Ms. **Jessica HARD**, Business Area Manager within Nederman Business Development & Marketing, is appointed Chief Operating Officer & Deputy Head of MikroPul Nederman EMEA.

Mr. **Michael RICHTER**, Operation Manager of MikroPul GmbH, is appointed Site Manager for the Cologne office of MikroPul Nederman EMEA.

Mr. **Eric RETTER**, former Managing Director of MikroPul GmbH, is leaving the company to pursue new opportunities. We wish to warmly thank Eric RETTER for his dedication to the company and his efforts in developing its activities since 2005.

I am looking forward to continue and develop our relation and cooperation.
